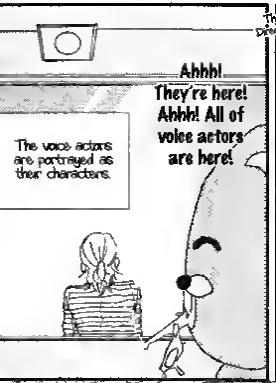
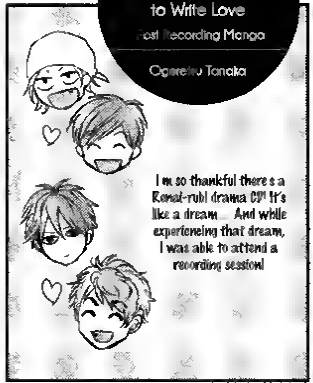
On July 31st, I visited the recording session ♡
This is my report ♡

Drama CD
The Proper Way to Write Love
Post Recording Manga
Ogeretsu Tanaka





I'm so thankful there's a Renai-rubi drama CD!! It's like a dream... And while experiencing that dream, I was able to attend a recording session!

Hiro was played by Shingaki Tarusuke-san. He actually seemed to really resemble Hiro's Beautician Mode.
Nice meeting you!
Wide-chested Hiro
The recording session was divided half-and-half into Renai-rubi and Hoddeeru.
A friendly faced Natsuo
Pleased to meet you!
Natsuo was played by Masuda Toshiki-san. He didn't have Natsuo's stupid delinquent aura at all (of course) but he was very refreshing..

And then! The love scene...!
gulp
MN...
WAH...
During the sad parts their acting was just so, so sad
Even I was near tears...
MPH...
He taste-lines as the low-class Natsu
HURRY UP!
I was so shocked and moved when they went into character I almost collapsed
I was fighting a mysterious embarrassment..
AH
During the love scene, Masuda-san's posture was somehow endearing (a little memory)
He put his hand in his back pocket
Here, my impression was nothing but "Aahhhh!"
AAAAHHHH! AAAAHHHH!
※ It was arousing.
SO SLIP-PERY!
GYAHHA!
Hoarse from laughing
blush
shiver
shiver
shiver
At the very end, in a very serious and sexy voice Shimaki san was saying stuff like "so slippery" I felt as though I'd committed a crime.

shiine
I was overwhelmed by his friendliness...
It was Shouna's voice actor, Satou Takuya-san!
PLEASED TO MEET YOU!
When this bouncy guy introduced himself to me, I wondered... who could he be playing?
Next up was the back half of the CD, "Hodokaru Kadentsu."
It was sooo cute!
bounce
bounce
Hiiro
Good-bye!
OH! OH!
NICE TO MEET YOU!
This was Hayashida's voice actor, Ono Yuuki-san. He was Hayashida's complete opposite!
amiable
I could only get him to halfway look like Hayashida
ZOOM
AH!
BUT...!
I WAS LYING. ♥
TOO BAD.
MELT
I worried that once the recording began... he would just keep stuttering through the tension and excitement...

Ohh an angry scene! ♡
Ono-san exuded sexiness, even outside the love scenes I was trembling...
The difference between Satou-san's bright, spirited tone,
and the love scene's sexy, manly voice was staggering...
I wouldn't have lasted two seconds... Shouna's tough.
In an instant, I thought that from the bottom of my heart.
QUIVER
QUIVER
I was healed by this friendly pair.
Okay ♡
Ogeretsu okayed it, yeah!
Okay ♡
And finally...
AH... THAT WAS GOOD.
(quivering voice)
I hope you enjoy the drama CD for Kenai-ruhi ro Taiteishi Furikatai!
The Usual
I want to give a truly heartfelt thank you to the voice actors, the recording studio staff, my editor and everyone who read the comic!
It's really a wonderful drama CD!
Even though it was just a drama CD, I was filled with emotion.
